We are XMA.

We are XMA.

We deliver innovative IT solutions that enhance how people learn, teach, govern, deliver healthcare and do business. We are a team of over 250 specialists, based across the UK who bring together over 30 years of experience, world class vendor partnerships and broad service delivery capabilities on the ground and in the cloud.

Offer employees the latest technology for home with huge savings through allBenefit.

The XMA allBenefit team have over 10 years experience delivering salary contribution benefits to employees at some of the largest organisations in the UK.

We manage the procurement, documentation, marketing, logistics and support for you; so your employees receive a fantastic technology benefit at no cost to your organisation.

Our fully managed and cost neutral programme ensures all your employees can benefit from the latest technology with huge savings compared to the high street;

- An extensive range of products from our partners, including Apple, HP, Toshiba and Samsung
- A large variety of devices from the latest tablets to powerful desktop and notebook computers
- Accessory bundles to meet the lifestyle needs of your employees
- A fully managed service throughout the term of the programme at no cost to your business
- Your employees pay via salary contribution to make savings below high street pricing, with no credit checks or personal loans required

Reward your employees and make an impact on their lives by offering access to the latest technology at excellent prices.

We manage the entire process with no cost and minimal effort for your organisation.
