

# Keep Your Surface Up and Running with XMA

## The Microsoft Authorised Service Provider

Don't let downtime disrupt your business. XMA, a trusted Microsoft Authorised Service Partner, offers in-house Surface device repairs, minimising disruption and safeguarding your sensitive data. **Choose experience, expertise, and peace of mind.**

## Why Choose XMA?

### Direct Connection to Microsoft Expertise:

**Get insider-level support:** Our close ties to Microsoft unlock quicker resolutions and smoother repair processes.

**Speak directly to the source:** No need for intermediaries – connect with Microsoft specialists for guaranteed solutions.

### Genuine Microsoft Quality:

**Uncompromising performance:** Rest assured, we only use authentic Microsoft replacement parts.

**Warranty worry-free:** Maintain your Surface's full warranty coverage with repairs certified by Microsoft themselves.

### Reduce Your Carbon Footprint:

**Go green, stay productive:** Our local service reduces shipping emissions, allowing you to minimise your environmental impact.

### Effortless Repairs, Stress-Free Experience:

**One-stop solution:** We manage everything, from diagnosis to delivery.

**Your dedicated Surface advocate:** Have a single point of contact for any questions or concerns.

### Get Back to Business:

**Minimise downtime:** Our efficient service gets your Surface back in action quickly.

**Don't sweat the wait:** Choose our expedited service options for critical situations and experience lightning-fast repairs.

### Enhanced Data Security:

**Your data, your business, your control:** Our secure facilities and strict protocols safeguard your sensitive information throughout the repair process.

**Compliance you can trust:** Rest assured with XMA's commitment to industry-leading data privacy regulations, your data is protected, always.

Contact XMA today for a free consultation and experience the difference of Surface service eXcellence.
