Savings, security and innovation

Samsung Galaxy devices perfectly
matched for the public sector

Simplify IT with made-for-each-other Galaxy bundles

Now, more than ever, frontline workers in the public sector need the tools to stay connected. They need the flexibility to work from anywhere and the security to do so safely.

With Galaxy bundles, users get all this and the management control of Microsoft 365. Perfectly matched bundles that provide the freedom of the Samsung ecosystem, where devices don't just work together, they work together seamlessly.

Start a project on your laptop and edit it later on your phone. The productivity possibilities are endless.

Your choice of perfect pairings

Our range of Samsung Galaxy bundles are aimed at making the working day easier and more productive.
