## Meet Galaxy Z Fold5 and Galaxy Z Flip5

Samsung's approach to innovation defines its smart, powerful, long-lasting devices. Galaxy Z Fold5 and Galaxy Z Flip5's flexible, foldable designs reframe what's possible in the working day by boosting productivity at every moment.

### Turning business on its head

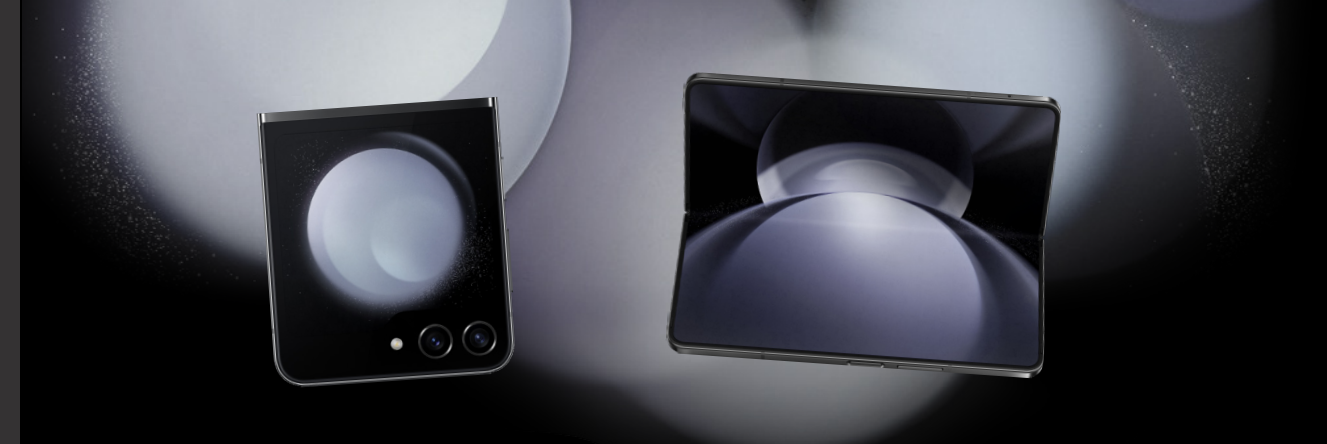

The revolutionary premium design of the Galaxy Z range opens up new ways of doing business. Bold, compact and incredibly strong, Samsung has packed both devices with the power, space, software and services to create an extraordinary mobile office experience.

### Locking down sensitive data

Samsung Knox works 24/7 to make sure devices are protecting against cyberthreats. It's trusted by governments and major enterprises around the world, providing business users with robust mobile security. Best of all, it allows remote device management, so updates can be rolled out as and when it's most convenient to the wider business.

### Stay supported faster – anywhere

Bid farewell to buffering, and welcome crisp, clear catchups – wherever you are. With 5G and Wi-Fi 6E connectivity, working and collaborating online has never been smoother. Work continuously with unlimited access to a dedicated team of B2B Business Support Services engineers.
