

Enjoy uninterrupted business momentum

HP Managed Print Services Subscription¹

SET YOUR BUSINESS UP FOR SUCCESS

Equipping employees with everything they need to do their job is a difficult challenge for business today. Simple solutions that work both at home and in the office are not easy to find, and generally even harder to manage.

HP Managed Print Services Subscription¹ is a simple and flexible cloud-based managed print service to simplify print management, help optimize costs, and support modern more distributed ways of working – all through an annual subscription model that can adapt as business needs change.

FOCUS ON WHAT MATTERS

Create extra hours in your day with a reliable managed print service that takes care of itself.

ENABLE WORK FROM ANYWHERE

Improve the way your business works with a centralized print service that allows your people to print more securely² from virtually anywhere.³

MAKE PRINT WORK FOR YOU

Meet the changing needs of your business with a flexible managed print service that is designed for today and adapts to tomorrow.

How HP MPS Subscription works for you

SIMPLICITY

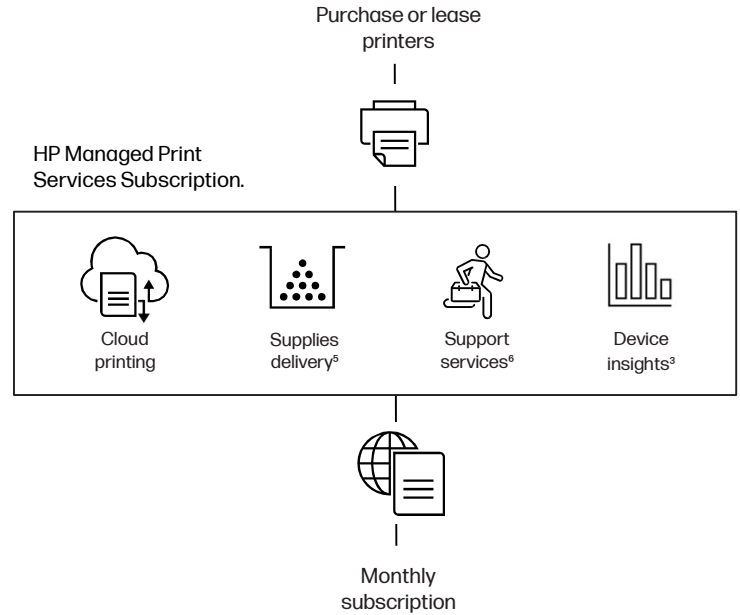

- Optimize costs with smart plans.⁴
- Get ink and toner delivered before you run out.⁵
- Receive one consolidated bill.
- Next Business Day hardware response.⁶

SECURITY

- Simple cloud set up at home or the office.
- Track usage and expenditure with real time insights.
- Print more securely and conveniently with HP Roam², HP Smart App⁷, and HP Wolf Security.⁸

FLEXIBILITY

- Stay agile with a short-term one-year commitment.
- Add new printers anytime.
- One simple page-based price for color and mono printing.

Contact an authorized HP Partner to start your subscription today

¹Service being sold by Partners on their terms and independent of HP. Compatible HP Hardware sold separately.

²Pull printing service requires HP Roam activation for compatible devices. To enable HP Roam for Business, some devices may require optional accessory or firmware to be upgraded.

³Service requires web services enablement in the device and Internet connectivity.

⁴Smart plans use a banded billing model based on print volume and auto-adjust each month to ensure customers receive the lowest cost option.

⁵HP will make reasonable effort to deliver the replacement consumable before the in-use consumable is completely expended.

⁶HP will dispatch an HP-authorized technician onsite or will send a replacement product, only if the problem has not been resolved remotely. Service response times vary by location.

⁷HP Smart app is an optional accessory that is available for MPS Subscription. Requires HP app download available at www.hp.com/go/mobileprinting. Certain features are available in English language only, and may vary by printer model/country, and between desktop/mobile applications. HP reserves the right to introduce charges for use of functionality facilitated by the HP app. Internet access required and may not be available in all countries. HP account required for full functionality. Fax capabilities are for sending a fax only. List of supported operating systems available in app stores. See details at www.hpsmart.com.

⁸HP Wolf Security is included with compatible hardware.
